MEDICEUTICALS

3 step program for the treatment of hair loss and thinning hair for dry hair and scalp.

250ml 125ml 250ml

## BENEFITS

- Can be used on dry, coarse hair and a dry scalp.
- Hydrates the hair and scalp without weighing the hair down.
- Cleanses the scalp and penetrates into the hair follicles.
- Helps reduce excessive hair loss and thinning hair.
- Stimulates the development of the hair follicles.
- Helps inhibit the formation of DHT in the hair follicles.
- Helps detoxify hair follicles from DHT.
- Stimulates the production of new hair growth.
- Stimulates blood circulation in the scalp for better absorption of nutrients by the hair follicles.
- Brings and keeps the hair follicles in optimal condition for healthy hair growth.
- Balances the acidity (pH value) of the scalp so that it can function optimally.
- Gives the hair a natural shine.

## UNIQUE COMPLEXES

## DURATION OF TREATMENT

This treatment is recommended on a daily basis for 14 days. You can then use **Hydroclenz** and **Therapeutic** every two days and **Numinox** twice daily.

## INSTRUCTIONS FOR USE

Do not use **Numinox** on an irritated scalp.

1 Shampoo the hair and scalp with **Hydroclenz**.

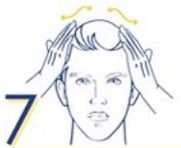
2 Leave the foam to act for 2-3 minutes.

3 Rinse hair thoroughly and towel dry.

4 Apply **Therapeutic** with gentle movements on the scalp for 2-3 minutes. You will have a sense of coolness on the scalp.

5 Rinse hair thoroughly and towel dry.

6 Place **Numinox** nozzle tip close to the scalp and apply directly to areas of concern, one pump at a time, use 4-6 pumps in total.



7 Gently massage your scalp. You will have a slight sense of warmth.

8 Reapply **Numinox** on dry scalp after 12 hours.

After applying **Numinox**, the skin may show a red glow, this is a normal reaction and disappears after about 20 minutes. If this reaction is to harsh, then you may dilute the product with 50% water for the next application.
